My name is

Angel Abegail B. Rosales

3 words about ME

Creative

Hardworking

Dependable

Impression to the teacher

Sir seems very knowledgeable and passionate about the subject, which I think will make the class engaging. They also seem approachable and patient, making it easy to ask questions and feel comfortable in the classroom.

This year, I want to learn more about

- 1 --- Mastering Python libraries like Pandas and NumPy for data manipulation.
- 2 --- Learning a new programming language.
- 3 --- Learning and gaining skills in data visualization using different programs or tools.
